Read the following papers:—

No. 201. From R. A. DALYELL, Esq., Sub-Secretary to the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, dated Madras, 16th August 1864, No. 5,263.

SIR,

1. With advertence to the Order of Government, under date 3rd May 1864, No. 765, I am directed to request that sanction may be at once obtained for the charges therein referred to, as the Accountant General has, on more than one occasion, pointed out the inconvenience of these charges being permitted to remain any longer unadjusted.

2. The Government were pleased to direct that these unadjusted charges should be brought forward with the Board's new scheme for Bungalow Establishments. This scheme is now complete, and will be submitted to Government in the course of the present month; but as the Board presume that the sanction of the Government of India is necessary for the charges under notice, while the sanction of the Local Government will alone be required for the new scheme (the charge on account of it being debitable to Local Fund), they have deemed it advisable to address this separate communication to Government.

No. 202. Proceedings of the Board of Revenue, dated 17th March 1865, No. 1,524.

Read the following letter from F. LUSHINGTON, Esq., Deputy Auditor and Accountant General, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Fort Saint George, 10th February 1865, No. 4,238.

SIR,

I have the honor, with reference to the Proceedings of the Board of Revenue, dated 10th June 1864, to observe, that, the advances noted below, made by the Collectors of Tanjore and South Arcot, on account of Travellers' Bungalows, are still unadjusted in the books of this office, and to request that you will be good enough to inform me, whether the sanction of Government has been accorded for the adjustment thereof. If not, I request that you will be pleased to move the Board to obtain the orders of Government in respect to these advances, which, in some instances, were made more than three years ago, in view to their being adjusted in the books of this office, at an early date.

1. Ordered that the foregoing letter be submitted to Government with reference to the Board's letter, dated 16th August 1864, No. 5,263. The Board request that sanction may be granted to the charges referred to by the Accountant General, which have remained unadjusted for a long period. The new scheme for Bungalow Establishments was submitted to Government with the Board's Proceedings, dated 7th October 1864, No. 6,602, but no orders appear to have been passed upon it.

2. The Board observe that certain sums are charged in Tanjore on account of Bungalow Establishments from May 1864, but they do not understand why these

sums remained unadjusted. They are debitable to Bungalow Fee Fund on the audit of the Board, and the Collector of Tanjore is requested to explain the matter.

No. 203. Official Memorandum from the Acting Secretary to the Board of Revenue, to W. HUDLESTON, Esq., Acting Secretary to Government, Revenue Department, dated Madras, 30th May, 1865, No. 493.

In reply to the Official Memorandum from the Acting Secretary to Government, Revenue Department, dated 16th May 1865, the undersigned has the honor to state that the Statement from the Accountant General, forwarded with the Board's Proceedings dated 17th March 1865, No. 1,524, shews the actual payments made on account of Bungalow Establishment up to 30th April 1864, in the case of South Arcot, and up to September 1864 in the case of Tanjore, but that submitted by the Board on 25th April 1864, includes the pay due for April 1864, which is payable in the month of May 1864. Thus in South Arcot the amount actually paid up to 30th April 1864 was 434 Rupees, but the original Statement includes Rupees 13 which is due for April 1864, but was not disbursed in 1863-64. As charges on account of Bungalow Establishment were ordered to be debited to Bungalow Fee Fund from the commencement of the official year 1864-65, the sum of Rupees 13 was charged to that Fund on the audit of the Board, and requires therefore no adjustment.

2. As regards Tanjore the Statement submitted by the Accountant General includes certain payments made after 30th April 1864. On a reference made by the Board the Collector states that these payments were debited in the accounts to Bungalow Fee Fund, and that he will include the charge in his next Bill to be passed by the Board and adjusted in the accounts. Deducting the amount of these payments the sum requiring adjustment in Tanjore would be Rupees 186-5-1, only. In the Board's Statement it is entered as Rupees 207-6-2, but this now includes payments supposed to be due but not actually disbursed.

3. The amount entered in the Board's statement against Coimbatore also apparently includes pay due up to April 1864, but not actually disbursed within 1863-64. In order to avoid the delay which will be occasioned by a further reference to the Collectors it is requested that the Government sanction may be given for the sums as entered in the Statement originally submitted by the Board. On the receipt of sanction the Collectors concerned will be desired to adjust whatever sums may remain in their accounts unadjusted, which under the circumstances stated above will be less than the amount sanctioned. The Statement is herewith transmitted.

(By order,)

Acting Secretary.

W. HUDLESTON, Esq.,
Acting Secretary to the Government of Fort Saint George,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA.

SIR,

Local Funds.

1. The Government of India are aware* that this Government have been engaged in revising the Establishments maintained at the Travellers' Bungalows of this Presidency. I am now directed to forward the accompanying papers† containing information as to the result of this revision.

2. The annual outlay hitherto incurred on account of these Establishments amounted to Rupees 18,685-12-5. The new scheme submitted by the Board of Revenue contemplated a considerable reduction in the number of the Bungalows, but its cost nevertheless amounted to Rupees 18,696-4-0.

3. Keeping in view the object of this revision, viz., to render the Bungalows self-supporting as soon as possible, and looking to the fact that the receipts from fees did not hitherto cover a moiety of the charge, the Government were unable to accept the Board's scheme in its entirety. Guided, therefore, by the proposals of the Collectors and the returns of travellers furnished, the Government have in their Proceedings of the 11th ultimo, No. 992, sanctioned such Establishments as appeared to them suitable for the Bungalows in each of the Districts of this Presidency. The total annual outlay on this account sanctioned in the Order just quoted, amounts to Rupees 15,339-2-0, being Rupees 3,346-10-5 less than the former charge, and Rupees 3,357-2-0 less than that proposed by the Board.

4. It will be seen from paragraph 4 of the Order of 11th May, that the original system of levying fees on each adult halting at a Bungalow is to be reverted to, instead of the plan hitherto in force of charging by the room, and that the scale of fees has been raised.*

5. I am directed to take this opportunity to forward, for submission to the Government of India, the accompanying Statement‡ from the Board of Revenue of charges incurred on account of salaries to certain Bungalow servants, which have for some time remained unadjusted. The charges in question refer to periods anterior to 1st May 1864, and were not passed by the Civil Paymaster, because the fees, out of which it was originally intended they should be met, were afterwards carried to the credit of Government. The sums have already been disbursed as advances, and need the special sanction of the Government of India, which is now requested, in view to their being finally adjusted.

I have the honor to be,
Sir,
Your most obedient servant,

Acting Secretary to Government.

Sir,

I have the honor to forward herewith a letter from the Collector of Salt Revenue, Kandeish, dated 15th ultimo, No 2819, and its enclosure, on the subject of the Kandeish Salt Monopoly, and to request that I may be favored with the orders of the Government of India thereon.

2. The Kandeish Salt Monopoly was established in 1844, and has been carried on ever since under the rules sanctioned by the Government of India in their Resolution No 6602, dated 11th May 1842.

3. The Collector now proposes certain modifications in the rules, which appear to me to be necessary, and I recommend that they be sanctioned.
