*Proceedings of the Madras Government, Revenue Department,
10th June 1865.*

No. 208. Read the following Proceedings of the Board of Revenue, dated 20th May 1865, No. 2,653.

Read the following letter from G. L. MORRIS Esq., Collector of South Canara, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Mangalore 22nd March 1865, No. 35:—

SIR,
1. I have the honor to forward herewith for the Government seal six title deeds (in duplicate) prepared for the six plots of unassessed waste land sold in May 1864 under the Rules, dated 5th March 1863, and referred to in the Board's Proceedings, dated 11th July 1864, No. 4,296.

2. The delay which has occurred in transmitting these title deeds for the Government seal, has arisen from there being no printed copies of the forms of the same in my office. In paragraph 2 of my letter to the Board, dated 9th June 1864, No. 93, I requested that a sufficient number of copies might be forwarded to me for use; but in their Proceedings quoted above, the Board directed me to have the required copies printed at the District Press. My Press had of late been so much occupied with other emergent work, that I was unable to have them struck off at it before the receipt of the Board's Miscellaneous Circular, No. X., dated 23rd February last, with which I received some copies of the forms printed at Madras, and which I have used in preparing the title deeds herewith forwarded, in preference to those just printed in my office on smaller paper.

ENCLOSURES Nos. 1 to 6.—Title Deeds in duplicate.

1. Ordered that the Title Deeds (in duplicate) numbered 4 and 5, received with the above letter, be submitted for the seal of Government, in accordance with Rule 7 of the "Subsidiary Instructions relating to the sale of unassessed waste lands in the Madras Presidency," annexed to the Board's Standing Circular, No. LII., dated 1st May 1863.

2. The Deeds numbered 1, 2, 3 and 6, will be returned to the Collector for revision, as his signature in one copy of each is not attested as it should be.

3. There are a few erasures in the plans attached to all the Deeds, which, however, appear to be immaterial.

4. There were some omissions in the Plan attached to one of the copies of the Deed No. 4, which have been filled up in the Board's Office in pencil. The Collector should see that these are entered in ink on the receipt of the Deed in his office.

No. 209. ORDER THEREON, 10th June 1865, No. 1,268.

Miscellaneous.

1. Ordered that the two Deeds received with these Proceedings be sealed.

2. The Plans should be numbered to correspond with the Deeds.

(True Extract.)

(Signed) W. HUDLESTON,

Acting Secretary to Government.

To the Board of Revenue, with two Deeds in duplicate.
