No. 100. Read the following letter from Lieutenant-Colonel C. H. DICKENS, R. A., Secretary to the Government of India, Public Works Department (Account), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 12th May 1865, No. 433A :—

SIR,

1. In reply to your letter No. 928, dated 5th April 1865, stating the opinion of the Government of Madras that the annual grant of Rupees 35,897 for maintenance of roads within municipal limits at Madras should not at present be withdrawn or reduced, I am directed to state that, under the explanations given, His Excellency the Governor General in Council concurs in the opinion that it would not at present be expedient to reduce the Imperial grant for the roads in question.

2. I am to add that the Governor General in Council trusts that the Government of Madras will not lose sight of the necessity for gradually promoting the growth of Local Funds to meet local wants, so that ultimately many, if not all, of these roads may be maintained entirely from local sources.

Paragraph 1 of this letter will be communicated to the Superintending Engineer, 4th Division, for information and guidance.
