*Proceedings of the Madras Government, Educational Department,
30th May 1865.*

No. 61. Read the following letter from E. B. POWELL, Esq., Director of Public Instruction, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Madras, 18th May 1865, No. 1143.

From a report furnished me by Mr. Caldwell on the minor proprietors of Tanjore, I learn that, in March last, the late Collector of that District removed the ward of Rajempettah, a boy about 15 years of age, from the Government Taluq school of Trivady to the Mission school lately established at Vellum by the Gospel Society.

2. It appears from the Inspector's remarks that the object of Mr. Cadell in making the move was to give himself an opportunity of exercising personal supervision over the youth. As, however, I doubt if His Excellency the Governor in Council is disposed to place a minor, under direct religious teaching, such as must, I presume, be imparted in the Gospel Society's school, I consider it my duty to notice the matter. I may observe that, hitherto, in recommending a school for a minor, which I have been requested to do on one or two occasions, I have always considered myself precluded from suggesting a Mission school. It may, however, happen that the most accessible, and at the same time good school, may be a Mission one; and I beg to be informed whether, in such a case, the Mission school may be recommended as the place of education of a minor proprietor.

No. 62. ORDER THEREON, 30th May 1865, No. 140.

The Governor in Council is clearly of opinion that minor proprietors, whose education is being carried on under the Orders of Government, should not be placed in Mission schools.

2. The present Collector of Tanjore should make arrangements for the removal of the Minor Proprietor of Rajempettah, from the Mission school at Vellum, to the Provincial school at Combagoundum.

3. In any case in which it may be deemed expedient to remove a minor ward from one school to another, the proposed removal should be reported to the Court of Wards, for their previous sanction, the Director of Public Instruction being previously consulted in each case.
