*Proceedings of the Madras Government, Revenue Department,
13th June 1865.*

No. 260. Read the following Proceedings of the Board of Revenue, dated 31st May 1865, No. 2,840.

Read the following letter from G. BANBURY, Esq., Acting Collector of Tinnevely, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Palamcottah, 5th May 1865, No. 183 :—

Sir,
1. In reply to the Board's Proceedings, dated 31st March last, I have the honor to state that I rightly explained the procedure which has been adopted in cases of life annuities to those applicants similarly situated to the Board's Petitioner. In paragraph 2 of the Government Order, dated 11th October 1864, No. 1,860, it is not expressly stated whence the stipend should be disbursed; I conjecture, therefore, that owing to this, the same course was adopted with life as with permanent stipendiaries.

2. However, should the Board think proper to rule that these annuities are to be disbursed from the Treasury, this arrangement can at once be made; there are but few of them, and the assessment of the land appropriated for this purpose can come, as heretofore, to the general revenue.

Submitted to Government, with reference to their Order, dated 10th May 1865, No. 973. The course adopted by the late Collector was quite unauthorized, and the Board recommend that his proceedings be cancelled, and that the life pensions referred to be paid from the Treasury.

No. 261.

ORDER THEREON, 13th June 1865, No. 1,293.

Miscellaneous.

1. The commutation of these life pensions for land was unauthorized and improper, and is cancelled.
2. The pensions will be paid from the Treasury as formerly.
