Proceedings of the Madras Government, Revenue Department,
15th June 1865.

No. 323. Read the following letter from F. LUSHINGTON, Esq., Deputy Auditor and Accountant General, to W. HUDLESTON, Esq., Acting Secretary to Government, Revenue Department, Fort Saint George, dated 9th June 1865, No. 38:—

Sir,
1. With reference to the Proceedings of Government in the Revenue Department, No. 1,208, dated the 3rd instant, I have the honor to state that, as under the revised classification of charges sanctioned by the Government of India on the recommendation of the English Commissioners, the head "B. IV. Miscellaneous" will be abolished, "Education, Science, and Art," appears to me to be the proper head of service to which charges connected with the experimental Farm at Sydapet, should be debited. The sum of Rupees 7,550, referred to in the above Order of Government, may therefore be passed against general savings in the Budget grant for the current year, under the last mentioned head of service.

2. The expenses connected with the Chinchona Plantations at Ootacamund, and donation to the Horticultural Gardens at Ootacamund, and the Agri and Horticultural Society in Madras are all debited to "Education, Science, and Art."

No. 324. ORDER THEREON, 15th June 1865, No. 1,326.

Miscellaneous.

Ordered to be recorded.
