Proceedings of the Madras Government, Revenue Department,
16th June 1865.

No. 337. Read the following Proceedings of the Board of Revenue, dated 9th June 1865, No. 3,116.

Read the following letter from G. THORNHILL, Esq., Collector of the Kistna District, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Masulipatam, 8th May 1865, No. 56 :—

SIR,

1. Some of the Native Christians, whose houses were destroyed on the 1st November last, having applied for a site on which to build a new village, a portion of a Palmyra tope in Machaveram, a suburb of Masulipatam, was assigned to them, the holders having agreed to relinquish the land.

2. The area of the site is Acres 4, C. 1, paying a cist of Rupees 2-5-7. Up to Fusly 1269 the tope was held rent-free, but it was then assessed. Assistance towards building the houses has been given out of the Relief Fund, and the former holders of the land have been compensated for the loss of the trees from the same source.

3. I have the honor now to request the Board will be pleased to recommend to Government the grant of a freehold Puttah without payment.

4. The land is sandy and of little value, except for the Palmyra trees growing on it; but is well suited for building. The occupiers are very poor and quite unable to pay the twenty-five years' cist as purchase money, which would amount to Rupees 58-11-7.

Submitted to Government, with the Board's recommendation that the land in question may be granted to the persons referred to, and registered as village site. The Government are aware that house sites are granted to the Native community throughout the country without any charge for ground rent.

No. 338.

ORDER THEREON, 16th June 1865, No. 1,333.

Miscellaneous.

The Government sanction the assignment of the land in question as a portion of the "Nattam" or village site for building purposes free of assessment.
