*Proceedings of the Madras Government, Revenue Department,
16th June 1865.*

No. 347. Read the following letter from Captain R. H. BEDDOME, Officiating Conservator of Forests, to W. HUDLESTON, Esq., Acting Secretary to Government, Revenue Department, Fort Saint George, dated Camp, Ootacamund, 6th June 1865, No. 1,305:—

Sir,
1. As there is a considerable demand for timber from our Dépôt in the Kurnool District, I have the honor to request the sanction of Government for expending an extra 2,500 Rupees in working charges in that District, this sum can be met from savings in the Budget under the head of 1st Class travelling Assistant.

2. In my last report on this District, dated 23th January last, No. 1,191, recorded in G. O. 351 of the 17th February, and referred to the Revenue Board for report, I asked for sanction for the purchase of four pairs of bullocks, as these animals are quite necessary for bringing in the confiscated timber, and as the purchase money will be saved to Government if we buy them now rather than bring the timber in by hired labor, I have ordered the Assistant in charge of the Range to purchase them at once.

No. 348. ORDER THEREON, 16th June 1865, No. 1,338.

Forests, No. 12.

The Government sanction the increased charge proposed in paragraph 1 of the above letter, and approve the Officiating Conservator's proceedings reported in paragraph 2.
