*Proceedings of the Madras Government, Revenue Department,
17th June 1865.*

No. 371. Read the following Proceedings of the Board of Revenue, dated 8th June 1865, No. 3,089 :—

Read the following letter from G. BANBURY, Esq., Acting Collector of Tinnevely, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Palamcottah, 23rd May 1865, No. 204 :—

SIR,

1. I have the honor to forward a Bill for Rupees 370-15-8, being the charges incurred by the Superintendent of Pearl Banks in purchasing a new Chain Cable and other articles for the use of the Guard Schooner "Emily," and I request that the sanction of Government may be obtained for the same.

2. The sanctioned Budget contains the necessary provision for the above charge. I may add that at my recommendation the Accountant General* allowed ten lacs of Treasure to be sent up to Madras by the "Emily." She has thus saved in

Steamer hire, at the rate usually incurred, Rupees 2,500, and has, one may therefore say, a fair claim upon her owners for any small repairs or re-fittings.

3. Copy of Captain Phipps' letter is also forwarded for the information of the Board.

ENCLOSURE No. 1.

From G. A. PHIPPS, Esq., Superintendent of Pearl Banks, to G. BANBURY, Esq., Acting Collector of Tinnevely, dated Tuticorin, 19th May 1865, No. 11.

1. I have the honor to forward the enclosed Bill for certain expenses incurred on account of the Schooner "Emily" when lately at Madras; the principal item is the cost of a new Chain Cable, which I did not expect would have been required; but the day I anchored at Madras, after discharging the Treasure, I found that from the pitching of the vessel the Chain Cable in use was insufficient, and in the afternoon it parted, the Schooner had then to ride by her second anchor with a Coir Cable; it being unsafe to allow the vessel to remain all night without another anchor and Chains ready for use, and as I found that no Chain was available in the Master Attendant's Stores, I deemed it advisable to at once purchase a new one; the old Cable was much worn, having been in use for over five years.

2. The other small items are for the cost of some blocks, &c., which were much required.

3. I shall be obliged by your obtaining the sanction of Government for the disbursement of this amount at your earliest convenience.

(True Copy.)

(Signed) G. BANBURY,
Acting Collector.

ENCLOSURE No. 2.—Bill.

Submitted to Government with the Board's recommendation that, under the circumstances reported by Captain Phipps, the expenditure referred to in the foregoing letter be sanctioned.

No. 372. ORDER THEREON, 17th June 1865, No. 1,350.

Miscellaneous.

The charge of Rupees 370-15-8 is sanctioned.
