No. 306. Read the following letter from Captain R. F. OAKES, R. E., Acting Superintending Engineer, 6th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Camp, Kadambady, 1st June 1865, No. 230 :—

Sir,

Enclosure 2.

1. In forwarding the copy of a Summons, from the Acting Principal Sudder Ameen of Combaconum, calling upon me to appear at his Court on the 22nd July next, to answer all questions relative to a Suit brought by a Meerassidar of Kuruvaudy in the Combaconum Taluq against the Department for digging a drain over his land, I have the honor to inform you that the work was carried out in Kudimaramut under Mr. Cadell's orders (whose decision is enclosed) and on the recommendation of Captain Mullins, then District Engineer.

2. Under these circumstances I referred the matter to Mr. Morris the Collector, who states that he will defend the Suit with the sanction of the Board of Revenue on the receipt of a Notice from the Court, and recommends that the Department Public Works plead non-responsibility as the work was sanctioned by the Collector and was carried out in Kudimaramut, independent of the agency of this Department. Also that the name of Lieutenant-Colonel Greenaway should be struck out of the plaint as in no way connected with or responsible for the work, and that the Plaintiff should be adjudged to pay all costs incurred by the Department Public Works in putting in a reply.

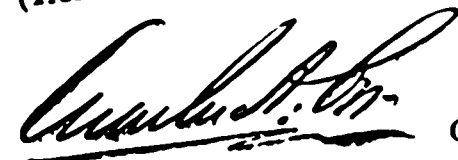

3. I have the honor to request orders on the subject.

No. 307. ORDER THEREON, 12th June 1865, No. 1,621.

CIVIL WORKS, No. 58.

The Superintending Engineer, 6th Division will, as suggested by the Collector, plead non-responsibility in the matter of the Suit instituted by the Meerassidar of Kuruvaudy. Orders on the other points referred to by Captain Oakes will be passed in the Revenue Department on an application being made by the Collector, through the Board of Revenue, for permission to defend the Suit.
