No. 396. Read the following Proceedings of the Court of Wards, dated 2nd June 1865, No. 2,913.

Read Government Order, dated 1st May 1865, No. 887 :—

The Court of Wards request that the present arrangements, under which service under them is placed on the same terms as service in any Civil Department of the State, may be continued. The Military pay proper is, the Court believe, a very small portion of an Officer's allowances, and in consideration of the Officer's services being always available to the Military Department, if required in the case of an emergency, they incline to the opinion that this charge should invariably be borne by the Military Department.

No. 397. ORDER THEREON, 19th June 1865, No. 1,363.

Miscellaneous.

The Government agree with the Board that as the services of Captain Wynch are always available to the Military Department if required, his pay and allowances, while on leave, should be charged to the Military Department.
