ABSTRACT.—Requesting the Board to report what is done with the interest which they receive as Trustees of Petrus Uscan's Charity Fund for the maintenance of the Marmalong Bridge, and the Steps up Saint Thomas's Mount.

1. With reference to paragraph 3 of the foregoing Order, the Board observe that in accordance with the expressed intention of the Testator in his Will, the interest accruing from Petrus Uscan's endowment is from time to time appropriated for the repairs of the Marmalong Bridge, and the steps leading up the Mount. The amount of the legacy originally bequeathed in August 1843, by the Will, was Rupees 5,005-8-0, invested in two Promissory Notes,* and the interest of this investment only is available for expenditure for the purposes of the charity, the principal amount remaining untouched.
