Proceedings of the Madras Government, Revenue Department, 23rd June 1865.

No. 505. Read the following Proceedings of the Board of Revenue, dated 10th May 1865, No. 2,365.

Read the following letter from J. I. MINCHIN, Esq., Collector of Kurnool, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Nandial, 27th March 1865, No. 42 :—

SIR,

1. With reference to the Board's Proceedings, dated 13th January 1863, No. 161, distributing Peruvian Cotton seed, and their Proceedings, dated 16th March 1863, distributing Peruvian Cotton seed of another variety, I have the honor to state that the seed received by me, with copies of all papers on the subject, were forwarded by me to Captain Nelson, as the only person in the District who was likely to take an intelligent interest in the experiment.

2. Captain Nelson promised a report on the subject; but I regret to say that his departure from the District, and lamented death, prevented the experiment from being successfully carried out.

3. The seeds in question were, I know, sown, but I have been able to obtain no information of the result. The plants were, I believe, grazed on by Lambady cattle, and destroyed.

4. I regret that by an oversight a reply to these Proceedings has not been sent earlier.

Submitted for the information of Government, with reference to their Orders, dated 8th January and 9th March 1863, Nos. 35 and 488.

No. 506. ORDER THEREON, 23rd June 1865, No. 1,416.

Ordered to be recorded.
