Read the following papers:—

From Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated 26th April 1865, No. 1,118.

SIR,

Rupees 2,20,000 have been allotted* in the current year for the payment of compensation for lands taken up for Public Works in the Godavery District, and the Superintending Engineer, 1st Division, has been requested to disburse the amount in communication with the Collector.

* Government Order, No. 392, dated 10th February 1865.

From T. A. N. CHASE, Esq., Sub-Collector, in charge of the Godavery District, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Nursapur, 11th May 1865, No. 75.

SIR,

1. In reply to the Proceedings of the Board of Revenue, dated 20th ultimo, No. 1,989, I have the honor to report that of the sum of Rupees 1,19,916-8-6, sanctioned by Government Order, dated 23rd February 1864, No. 325, for disbursement to Inámdars, &c., on account of compensation for lands taken up by channels for the year 1863-64, Rupees 1,11,536-11-8 were expended up to the end of August 1864, when, as directed in the Order of Government, Department Public Works, under date the 20th August 1864, No. 2,396, the balance amounting to Rupees 8,379-12-10 remaining unexpended, was transferred to the accounts of the Public Works Department. It was then purposed to disburse this sum from the Budget allotment for 1864-65. I have applied to the Superintending Engr [illegible] the money, and on receiving it, I will at once pay the Inámdars. There [illegible] some other individuals in the District who have to receive sums out of that amount.

2. Rupees 2,20,000 were placed at my disposal by the Public Works Department on the 30th of April, for compensation to Inámdars for the year 1864-65.

3. In accordance with the instructions contained in the Board's Telegram, dated 27th ultimo, I have debited that sum to the Public Works Remittances under the column "Unadjusted," and credited to deposit the sum of Rupees 35,100, and with that sum I am paying Inámdars the compensation due. The money having only been placed at my credit on the 30th April, (Sunday,) I was unable to pay any Inámdars during that month.

The Board observe that in accordance with their telegram of the 27th April, the sum of Rupees 8,379-12-10, mentioned in paragraph 1 of the Sub-Collector's letter above recorded, should have been disbursed out of the two lacs and twenty-thousand referred to in paragraph 2. No further application for additional money was required. The large sum in question was sufficient to cover all disbursements on account of compensation. It is to be regretted that no steps were taken to carry out the intention formed in August 1864, before the close of the Financial year.
