Proceedings of the Madras Government, Revenue Department, 27th June 1865.

No. 563. Read the following Proceedings of the Board of Revenue, dated 19th June 1865, No. 3,325.

Read the following letter from G. THORNHILL, Esq., Collector of the Kistna District, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Masulipatam, 25th May 1865, No. 73:—

SIR,

The Civil Dispensary at Masulipatam, which was purchased and repaired agreeably to the correspondence noted in the margin, having been damaged by the late cyclone and sea inundation, I have the honor to forward herewith an estimate, amounting to Rupees 1,300, for restoring the same, received from the Superintending Engineer, 2nd Division, with his letter of the 4th instant, No. 7, and request that the Board will be pleased to obtain the sanction of the Government for the amount in question, as a special case. Under existing circumstances, the inhabitants of the Town will not, I fear, be able to contribute any thing towards the repair.

Board's Proceedings, dated 9th December 1862, No. 8,030.

ENCLOSURE No. 1.

From Lieutenant-Colonel G. V. WINSCOM, R. E., Superintending Engineer, 2nd Division, to G. THORNHILL, Esq., Collector of the Kistna District, dated Masulipatam, 4th May 1865. No. 7.

SIR,

1. I have the honor to forward an estimate for repairing the damages caused by the cyclone of 1st November last, to the Civil Dispensary at Masulipatam, amounting to Rupees 1,300, for your approval and countersignature. You will observe that of the estimated amount, Rupees 257-6-6 have been expended by the Civil Surgeon in charge Civil Dispensary, immediately after the cyclone, to render the building habitable during the dry weather.

2. The special sanction of Government will of course be necessary for the work. The inhabitants are generally too much impoverished by the late calamity to be asked to follow the usual course of subscribing for the repair of the Town Dispensary.

ENCLOSURE No. 2.—Estimate.

Under the circumstances reported by Mr. Thornhill, the sanction of Government will be requested to the estimate, and a special grant of funds will be solicited.

No. 564. ORDER THEREON, 27th June 1865, No. 1,446.

Miscellaneous.

1. The Government approve the execution of these repairs at the cost of Government as a special case.

2. The papers will be referred to the Department Public Works for orders, regarding the provision of the requisite funds.
