28th *June* 1865.

No. 585. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine, to W. HUDLESTON, Esq., Acting Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 17th June 1865, No. 2,331:—

SIR,

1. Adverting to my letter of the 1st instant, No. 2,181, forwarding Bill of Lading for five bales of Cotton shipped on the "Mary Shepherd," to the address of the Right Honorable the Secretary of State for India, I have the honor to inform you that they were sent on board without having been measured. It is usual for Departments applying for freight to furnish Memorandum of weight or dimensions, and the Shipping Officer supposed this had been done in the case in question.

2. The actual tonnage of these bales not being known, I beg to submit for sanction Bill for 70 Rupees as the probable amount of the two-thirds freight payable on shipment, and to solicit that the necessary communication be made to the India House, in order that the balance may be adjusted after they have been measured.

No. 586. ORDER THEREON, 28th June 1865, No. 1,457.

Miscellaneous.

The payment of Rupees 70 on account is sanctioned as proposed, and the necessary steps will be taken for the adjustment of the charge for freight in England on the arrival of the ship.
