Proceedings of the Madras Government, Revenue Department,
28th June 1865.

No. 597. Read the following Proceedings of the Board of Revenue, dated 17th June 1865.

Read Proceedings of the Madras Government, Revenue Department, dated 7th June 1865, No. 1,229.

1. Communicated to the Acting Collector of Ganjam.

2. The Board understood the Government to desire special reports from Vizagapatam and Ganjam on Mr. Minchin's suggestion, that an export duty should be imposed on the grain carried coastwise from those Districts, the proceeds being devoted to the repair of roads.

3. The general question has been referred to all Collectors, and their reports will be submitted as received. The Board have already expressed their own views on the subject in their letter under date 15th June 1865, No. 3,233, with which the Draft Bill for the imposition of a Road Cess was submitted to Government.

No. 598. ORDER THEREON, 28th June 1865, No. 1,463.

Local Funds.

1. The intention of the G. O. dated 7th March 1865, No. 489, Revenue Department, paragraph 6, was that the Board, after consulting with the Collectors on all the different modes of raising local funds for public works applicable to the circumstances of the several Districts, should report the result to Government with their own opinion.

2. The suggestion of a light duty on the coasting trade in grain is capable of application to all Coast Districts, and not to Ganjam and Vizagapatam only. And in the same manner the suggested levy of tolls equally needs consideration in connection with these two Districts as with all others.
