Proceedings of the Madras Government, Public Works Department, 23rd June 1865.

No. 589. Read the following Proceedings of the Board of Revenue, dated 13th June 1865, No. 3,182 :—

Read the following letter from C. W. READE, Esq., Collector of South Arcot, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Cuddalore, 22nd May 1865, No. 60.

SIR,

To be returned.
1. Official Memorandum from the Sub-Collector, dated 2nd February 1865, No. 88.
2. Letters from do., dated 3rd and 22nd May 1865, Nos. 307 and 357.
3. Estimates for repairing the Ammahpetta Bungalow, Rupees 490.
4. Do. repairs to the furniture in do. do., Rupees 30.

1. In forwarding herewith to the Board the documents noted in the margin, I have the honor to solicit their authority to incur the necessary expenditure for repairing the Travellers' Bungalow at Ammahpetta, and as well of the furniture belonging to it.

2. The urgency of these repairs is fully explained in the second of the communications received from the Sub-Collector on the subject; and it has been further brought to my notice by gentlemen who have had occasion to halt at Ammahpetta lately.

3. This being the only Bungalow between Sheally and Cuddalore, where travellers generally halt, it is very necessary that it should be kept in proper order.

4. As the charge for cleaning out the well will be less than Rupees 20, I have authorized the Tahsildar of Chellumbrum to do this work at once.

5. On a previous occasion I applied to the Board for authority to execute the necessary repairs to the furniture in the Bungalow in question; but sanction was withheld, and I was required to submit a revised estimate on the Board communicating to me the order of Government on their new scheme for Bungalows. As I now observe from the local newspapers that the Government have passed their orders on the subject, and that the Bungalow at Ammahpetta is one of the several proposed to be retained in this District, I beg to repeat my request that I may be authorized to incur the requisite expenditure for what is wanted to be done.

Letter to the Board, 4th October 1864, No. 194.
Proceedings of do. dated 18th October No. 6,843.

6. The unexpended balance of last year's allotment for Bungalows is Rupees 627-8-3, and the entire expenditure, as now proposed, including the probable cost of cleaning out the well will not exceed Rupees 540.

7. On receipt of the Board's sanction, I shall include the charge in the Bungalow Contingent Bill submitted every month for audit.

The Board observe that, under recent orders, all repairs to Bungalows are to be executed from Public Works Funds,* but as the repairs required at Ammapett appears to be emergent, the Collector's letter will be forwarded to the Secretary to Government in the Department Public Works, for the issue of the necessary orders in his Department. The proposed expenditure for the repair of furniture and for cleaning out the well is sanctioned.

* Dated 16th May 1865, No. 1,338, Public Works Department.
