No. 11. Read the following Proceedings of the Board of Revenue, dated 19th June 1865, No. 3,326.

Read again letter from the Godavery District, dated 29th April 1865, in Board's Proceedings 19th May 1865, No. 2,633.

Read also the following letter from T. A. N. CHASE, Esq., Sub-Collector, in charge of the Godavery District, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Cocanada, 30th May 1865, No. 87 :—

SIR,

1. In reply to the Board's Proceedings, No. 2,633, dated 19th instant, I have the honor to state that I am unaware of any one having proposed that the Bael trees should be made over to the Museum at Rajahmundry.

2. The first letter on the subject to the Revenue Department is No. 16, dated 16th January 1865, from Lieutenant Hamilton to Mr. Linton. Copy of which, together with copies of other correspondence on the same subject, I have now the honor to enclose. It strikes me that the word "sanctioned" is wrongly used. The trees were in charge of the Station Staff Officer, who with the Sappers was about to be removed to Bangalore, and as the trees would be then left under the charge of no responsible person, the Staff Officer probably wrote to the General of Division on the subject, and on that the sanction was granted (or rather the order given) to hand over the trees to the Museum.

ENCLOSURE No. 1.

ABSTRACT.—Copies of correspondence regarding Bael trees.

1. Submitted for the information of Government with reference to their Order, dated 10th April 1865, No. 773.

2. It will be observed that there is nothing on record in the Revenue Department to shew why it was proposed to transfer the Bael trees in the Dowleswaram Cantonment to the Rajahmundry Museum, and that hitherto the road along which they are planted has been repaired under the direction of the Military authorities.

No. 12. ORDER THEREON, 1st July 1865, No. 1,504.

Miscellaneous.

1. The Collector will take charge of the Bael trees in the Dowlaishweram Cantonment, and defray any necessary expenses (which can be but trifling) from the local planting, &c., fund.

2. The Board would do well to cause the extended propagation of this valuable medicinal fruit tree throughout the country by means of the Local Funds.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 19th May 1865.

Read the following letter from T. A. N. CHASE, Esq, Sub-Collector in charge of the Godavery District, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Nursapur, 29th April 1865, No. 66:—

1. I have the honor to acknowledge receipt of the Board's Proceedings, dated 12th instant, and to report that from the letter addressed by the Station Staff Officer at Dowleshwaram it appears that the Major General Commanding the Northern Division sanctioned the transfer of the Bael trees in the Military Cantonment at Dowleshwaram to the Rajahmundry Museum because of the departure of the Sappers Corps from Dowleshwaram, but the Museum Committee have been (*? never*) entertained an idea of undertaking the charge, so foreign to the objects of that institution. These trees ought, I think, to be taken under the charge of the Revenue Department.

16th January 1865. Copy enclosed.

2. The road on which these trees have been planted does not appear to have been classed as imperial or local, as the roads in the Military Cantonment were maintained by the Corps of Sappers and Miners, and a sum of Rupees 264 has been provided for in the Budget for 1864-65, for minor conservancy of Cantonments.

ENCLOSURE No. 1.

From Lieutenant A. E. HAMILTON, Station Staff Officer, to the Assistant Collector of Rajahmundry, dated Dowleshwaram, 16th January 1865, No. 16.

I have the honor to inform you that the Major General Commanding the Division has sanctioned the transfer of the Bael trees at this station to the Rajahmundry Museum.

(True Copy.)

(Signed) T. A. N. CHASE,
Sub-Collector in charge.

The information supplied by Mr. Chase is defective. The Government desired to know why it was proposed to transfer the trees to the Museum Committee. The letter of which an extract only is submitted, apparently sanctions a proposal which had been made by some other Department. Mr. Chase will now be good enough to report by whom it was proposed that the trees should be made over to the Museum, and on what grounds the proposal was made.

Acting Secretary.

No. 1504.

The Collr. with whom rests the charge of the Bael trees in the Dowleswaram Cantonment have no objection any measure for preserving from the local Municipal funds.

The Board are well aware of the valuable properties of this valuable medicinal fruit for which reason they have ordered the preservation of the trees by means of the local funds.
