No. 30. Read the following Proceedings of the Board of Revenue, dated 5th May 1865, No. 2,265.

Read the following letter from G. BANBURY, Esq., Acting Collector of Tinnevelly, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Trichendoor, 24th March 1865, No. 145:—

SIR,

With reference to the Board's Miscellaneous Circular, No. IV., dated 20th January last, Board No. 337, I have the honor to state, for the information of the Board, that the Superintending Engineer has now brought to my notice, that in the list of Imperial lines of communication annexed to the above Circular, the cross cotton road from Shevelpatty to Ettiapuram, and a portion of the great cotton road between Streevilliputtur and Ettiapuram, have been omitted. I am informed that the list of Imperial roads forwarded from this office with a letter, dated 4th August 1863, was prepared by the Public Works Department, and that no alterations or omissions were made in this office. As the above-mentioned roads are clearly "Imperial," and as Captain Moberly is of opinion that the omission is likely to produce inconvenience hereafter if not rectified, I beg the Board will be pleased to have the list in question amended according to the accompanying revised list.
