No. 39. Read the following letter from Captain R. H. BEDDOME, Officiating Conservator of Forests, to W. HUDLESTON, Esq., Acting Secretary to Government, Revenue Department, Fort Saint George, dated Camp, Salem, 27th June 1865, No. 1,318 :—

SIR,

1. I have the honor to forward a letter from Major Gib, 2nd Class Deputy Conservator of Forests, Wynad, by which you will perceive that he wishes to resign his appointment in the Forest Department with a view to obtaining Military employment, he has informed me that he wishes his resignation to appear in the Gazette as soon as possible, but that he will remain in charge until he has thoroughly handed over to the Officer appointed to relieve him.

2. As the Hoonsoor forests have lately been taken away from the superintendence of the Officer of this range, and as the Wynad forests will not be worked to any great extent until a road is open to the Western Coast, I would recommend that the appointment should be held for the present by a 3rd Class Deputy.

3. If Government will appoint an officer at once, Major Gib will take him round the forests and depôts, and explain all the working system to him before he delivers over charge.

No. 40. ORDER THEREON, 3rd July 1865, No. 1,518.

Ordered that Major Gib's resignation be accepted, and that his services be re-placed at the disposal of the Military Department.
