Read the following letter from E. B. FOORD, Esq., Acting Collector of Ganjam, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Chetterpore, 2nd June 1865, No. 628 :—

1. With reference to the Board's Proceedings of the 18th ultimo, communicating Order of Government, dated the 13th idem, I have the honor to report that it appears from certain correspondence that passed in 1845 between the then Master Attendant at Coringa, Mr. Flower, and the then Collector of this District, P. B. Smollett, Esq., that the former had advanced a sum of Rupees 600 to one Colloo Thathiah, owner of a sloop "Stri Seetharamaswamy," for the shipment to Madras of certain timber lying at Damrah, and then emergently required by the Commissariat Department; that in consequence of the vessel being delayed at Poondy, (being shut in by the bar of the river,) he had found it necessary to cancel his agreement with Colloo Thathiah, who being then a resident of Berhampore, the Master Attendant in several letters (as dated in the margin,) requested the Collector to take steps for the recovery of the above sum. The owner of the sloop having subsequently left for Coringa, Mr. Smollett advised the Master Attendant to adopt the necessary measures for the recovery of the sum at that port. By a letter of the 10th March 1845 from the Master Attendant, which closes the correspondence on the subject, the amount advanced was recovered from one Badoo Thathiah on account of Colloo Thathiah.
