SIR,

1. In re-submitting the indent for water-marked paper, size No. 3, returned with the Board's Proceedings, dated 23rd instant, I have the honor to state that the sentence *particulars* of estimated annual consumption alluded to in paragraph 4 of the financial Secretary's letter, dated 5th ultimo, has reference to the different sizes of paper known as Nos. 1, 2, 3 and 4, and does not apply to the Madras Presidency, where only No. 3 is used, as reported in my letter, dated 17th instant.

2. The only deviation I have made from the instruction contained in paragraph 4 of the Financial Secretary's letter, is that my indent embraces the whole period of the financial year terminating 30th April 1868, which course has hitherto met with the approval of the Secretary of State, and will enable me to maintain a year's reserve stock, as I have at present, and bring the whole year's charge in one item in the preparation of my Budget.

3. I have submitted this indent now, it having been called for at an *early date*. The subsidiary arrangements connected with the new system, and estimates for new presses, &c., will be prepared and submited in due course.

ENCLOSURE No. 1.—Indent.

1. Resolved that the foregoing papers be submitted to Government, with reference to their Order in the Revenue Department, dated 26th April 1865, No. 853.

2. The further information promised in paragraph 3 of Colonel Temple's second letter, will be transmitted so soon as received.

No. 84. ORDER THEREON, 6th July 1865, No. 1,540.

The Indent will be transmitted to the Secretary of State for supply.

No. 2,750.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 23rd May 1865.

Read the following letter from Lieutenant-Colonel J. TEMPLE, Superintendent of Stamps, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated 17th May 1865, No. 1,637 of Fasli 1274:—

1. I have the honor in reference to Government Order, No. 853, Revenue Department, dated 26th April 1865, to submit an Indent for one year's supply of Bill of Exchange paper and of Water-mark Paper No. 3, which is the only kind in use in the Madras Presidency.

2. As the presses and dies have to be constructed some time will probably elapse before the introduction of Bi-color stamping, but I have addressed the Superintendent of Stamps in Calcutta to supply me with a complete set of samples, when they will be handed over to the Mint as patterns for guidance.

ENCLOSURE No 1.—Indent in duplicate.

1. Resolved that the Indent in duplicate, received with the foregoing letter, be returned to the Superintendent of Stamps, who will be good enough to supply the information as to "the estimated annual consumption to the end of 1867," called for in paragraph 4 of the Financial Secretary's letter recorded in the Order quoted by Colonel Temple.

2. He will also state his opinion, in communication with the Mint Master, as to the "subsidiary arrangements" alluded to in paragraph 3 of the same communication. It seems to the Board that the plan sketched out in the 31st and following paragraphs of the Government Order, dated 14th September 1864, No. 1,691, should be followed, but it will be desirable to enter into further particulars as to details, and a statement of the additional establishment which may be required should also be submitted.

3. An estimate should be prepared of the cost of the presses, &c., necessary to the carrying out of the new arrangements.

4. The Superintendent of Stamps in Calcutta has, it is observed, already been directed to forward to Madras specimens of the Bi-color Stamps used in Bengal.
