Proceedings of the Madras Government, Revenue Department,
6th July 1865.

No. 85. Read the following Proceedings of the Board of Revenue, dated 27th June 1865.

Read Proceedings of the Madras Government, Revenue Department, dated 20th June 1865, No. 1,370.

A copy of the Board's Proceedings dated 4th May 1865, No. 2,240, will be submitted to Government accordingly. Had the Board been aware that the work was to be constructed from Local Funds the sanction of Government to the estimate would have been requested.

No. 86. ORDER THEREON, 6th July 1865, No. 1,541.

Local Funds.

1. The Board will call on the Collector to report further on this project. At present it appears to be a piecemeal way of obtaining sanction for an extended scheme. The proposed road is an extension of one which appears to end abruptly in the open plain, and there is nothing to shew that the bridge which terminates the proposed extension will connect it with any existing road.

2. It is contrary to express rule to obtain sanction for a large work by submitting it in instalments.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 4th May 1865.

Read the following letter from T. A. N. CHASE, Esq., Sub-Collector, in charge of the Godavery District, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Nursapur, 10th April 1865, No. 57 :—

1. I have the honor to forward, for sanction, two plans and an estimate this day received from the Superintending Engineer, 1st Division, amounting to Rupees 2,700, for extending the Gantay and Kottapatta road to the river bank at Bodipalem, and for constructing a bridge across the east bank channel near Bodipalem.

2. The Superintending Engineer informs me that he has authorized the Executive Engineer to commence collecting materials for the bridge in anticipation of sanction, as the latter Officer is anxious to commence work at once, and to complete the abutments of the bridge and earth-work before the irrigating season in June.

ENCLOSURES Nos. 1 & 2.—Plans.

ENCLOSURE No. 3.—Estimate.

The estimate will be returned to the Sub-Collector in charge with the Board's approval. The Sub-Collector should have stated whether he proposes that the work should be undertaken from Imperial or Local Funds. If from the latter, it is observed that no provision for the outlay has been made in the Local Fund Budget for 1865-66.

(A true Copy and Extract.)

(Signed) R. A. DALYELL,
Sub-Secretary.

To T. A. N. Chase, Esq., Sub-Collector, in charge of the Godavery District,
with Estimate and two Plans.
