Proceedings of the Madras Government, Revenue Department, 7th July 1865.

No. 113. Read the following Proceedings of the Court of Wards, dated 23rd June 1865, No. 3,495.

Read the following Proceedings of the Madras Government, dated 12th June 1865, No. 1,284, Revenue Department:—

ABSTRACT.—Communicating Proceedings of the Educational Department, and requesting the Court of Wards to instruct the Collector of Tanjore to remove the Minor of Rajampetta from the Mission School at Vellum to Provincial School at Combaconum, and to report whether Mr. Cadell informed them of his intention of placing the Minor at the former School.

1. The foregoing Order of Government will be communicated to the Collector of Tanjore, who will lose no time in carrying out the orders contained in paragraph 1.

2. The Court observe that the arrangement now objected to was made with their cognizance and sanction. It was in consequence of the difficulty experienced by the Collector in keeping the Minor at the Combaconum Provincial School, that Mr. Cadell solicited the Court's permission to place the lad under his own immediate superintendence at Vellum, where a new school was about to be established by the Mission Society. The Collector added that there seemed every prospect of the boy being educated with advantage, while the locality was conveniently situated with reference to the Minor's village.

Court's Proceedings, 6th January 1865, No. 50.

3. Paragraph 3 of the Government Order, in the Educational Department, dated 30th May 1865, No. 140, received with the foregoing Order, will be circulated to all Collectors in the form of a Standing Circular Order.

No. 114. ORDER THEREON, 7th July 1865, No. 1,555.

Miscellaneous.

1. The Collector will carry out the recent orders of Government, and will impress on the Minor the necessity of his regular attendance at the Combaconum School.

2. If Mr. Morris experiences the same difficulty as Mr. Cadell is said to have felt in the matter, he must report the fact, and the arrangement lately directed will be further considered.

I doubt see how the Collr: could carry out his plan of immediate personal superintendence at Vellum, where, as I explained, he only resided during only six or seven months of the year. How much shall may be the present Collr: choose he requested to carry out the Court's orders? I am upon the minor the most of that time. I respectfully ask that when Mr Sadler was Collector. If he thinks expenses should be allowed to have been paid by Mr Sadler he must refer to and his arrangement now limited with further consideration
