Proceedings of the Madras Government, Revenue Department, 8th July 1865.

No. 117. Read the following Proceedings of the Board of Revenue, dated 29th June 1865, No. 3,612.

Read the following papers:—

Order of Government, dated 26th October 1864, No. 1,977, Revenue Department.

ABSTRACT.—Passing Orders on the Board's letter regarding the mode of audit of Revenue Contingent Charges in their Office, and requesting them to submit, for the consideration of Government, the alterations they would recommend in the forms of Bills, &c.

Order of Government, dated 12th November 1864, No. 2,075, Revenue Department.

ABSTRACT.—Communicating a letter from the Civil Paymaster, reporting that he can in no way explain why the Revenue Board Pay Abstract should give any trouble in its preparation.

1. In the first of the papers above recorded, Government passed orders on a letter from the Board, relating to the audit of Revenue Contingent Charges, and in paragraph 10 they directed the Board, with reference to paragraph 12 of their letter, to submit, for consideration, the alterations they would recommend in the form of the Bill. Since this correspondence passed, the whole system of Finance Audit and Account has undergone great changes, the final orders of the Government of India have been received on the Report of the Commissioners, and the Board have reason to believe that under the new system a regular audit will be established as they originally proposed, and that the audit of the Judicial charges will be transferred to the High Court.

2. The only alteration that the Board have in view in the Contingent Bill is that all the items should be arranged in it in the same order in which they are entered in the monthly Treasury account furnished to the Accountant General, and that details of Saderwarid, and batta to public servants, and other large items, should be given in separate Accounts Particular. As the classification of items will undergo some change under the new system of accounts, the Board will settle the matter, in communication with the Accountant General, and will issue the necessary forms to the Collectors, if the Government will permit them to do so.

3. With the second Order above recorded, Government communicate to the Board a letter from the Civil Paymaster regarding the form of Pay Abstract for any remarks they might wish to offer. The Board have already stated that the present form of Abstract is very inconvenient, as its preparation involves much labor. The names of the Peons in the monthly Abstract may well be omitted, as it will be sufficient if they are given in the annual lists, and the Board request that the Accountant General may be instructed to make such alterations in the form as will, in his opinion, facilitate its preparation.
