Read Board's Proceedings No. 1,214, dated 2nd March 1865.

Read also the following letter from J. I. MINCHIN, Esq., Collector of Kurnool, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated 3rd June 1865, No. 70 :—

SIR,

1. With reference to the Board's Proceedings, No. 1,214, dated 2nd March 1865, I have the honor to forward a revised Tabular Statement of the hereditary pension in the Yendapally village in the Markapoor Talook of this District.

2. With reference to paragraph 3, I beg to forward copy of a letter from the Collector of Cuddapah, stating that there is no specific authority to the continuance of a Poligar pension to a widow, but that in such cases a moiety has generally been granted.

3. As all the correspondence on the subject of these pensions is on the records of the Cuddapah Collectorate, from which certain Talooks in which these pensions exist were transferred to Kurnool, there is some difficulty, when reporting on such cases, in referring to any previous correspondence that may have past.

4. The inadvertence of the Tahsildar was noticed by Takeed, but as this officer is generally very exact in the performance of his official duties, no further steps were considered necessary.

ENCLOSURE No. 2.

From H. G. SMITH, Esq., Collector of Cuddapah, to J. I. MINCHIN, Esq., Collector of Kurnool, dated Muddenpully, 22nd May 1865, No. 348.

1. With reference to your letter of the 18th March 1865, No. 60, I have the honor to enclose copies of correspondence preferred to in the 2nd paragraph of the Board's Proceedings, received with your letter

Dated 2nd March 1865, No. 1,214, herewith returned as required.

under reply, regarding the continuance of the pension to Chennappa of Yendapally in Markapoor (late Dupund) Talook, and to inform you that there is no more correspondence on the subject.

2. It does not appear that any specific authority or rule exists for the continuance of the whole, or any part of the allowance enjoyed by a male member of a Poligar to his widow, but in several cases, which have been reported to the Board of Revenue, a *moiety* of that held by the deceased was recommended to be continued to his widow for her life only.

(True Copy.)

(Signed) J. I. MINCHIN, *Collector.*

Ordered that the foregoing papers be submitted to Government with the Board's recommendation that a moiety (amounting to Rupees 103-13-10) of the pension in question be continued to the widow of the deceased Poligar from the 29th January 1864, the date of his decease.

No. 126. ORDER THEREON, 8th July 1865, No. 1,561.

Miscellaneous.

1. The pension in question is one of those which were granted on the assumption of the Ceded Districts to the then Poligars in lieu of their Poliems and privileges resumed, and were expressly declared to be hereditary in the direct line during good behaviour.

2. The Government see no reason whatever to reduce the amount on the occasion of the death of the last holder, and the pension will be continued in full to his heirs.

3. From the Statement submitted the widow would appear to be the heir, but further enquiry should be made to ascertain if there is no living male descendant of the original grantee. Meanwhile payment to the widow is sanctioned.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 2nd March 1865.

Read the following Tabular Report from J. I. MINCHIN, Esq., Collector of Kurnool, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 1st February 1865, of an hereditary pension in the District of Kurnool:—

Case number.	Taluk and village. Extent and value of the entire Inam.	When and by whom granted. Name of the original grantee. Sunnuds or other documents in support of the grant.	Nature of the grant, charity or service. If service, nature of the duty prescribed by the grant.	Name of the last holder; date of his decease, and the relationship in which he stood to the grantee.	Share enjoyed by the deceased and that held by other members.	Family left by the deceased; name and age of the parties, their circumstances, and the means of subsistence possessed by them.	Recommendation of the Collector, and the grounds on which it is made.	Recommendation of the Board of Revenue.	Decision of Government.

1	Yendapally in the Markapoor Taluk. Hereditary pension per annum Rupees 207-11-8.	Pension was granted by the English Government on the 12th July 1801 to Yendapally Venkatnarsoo, the original grantee.	Hereditary pension granted in lieu of resumed lands and privileges.	Yendapally N. Chennappa who died on the 29th January 1864.	The whole by the deceased.	Mother Mangama aged 50 years; widow Mallama, aged 16 years; Pitchemma, wife of the deceased's brother, aged 54; sister Ambakka of the do., aged 32 years, and four servants.	To be continued to the widow Mallamma from the date of decease of Y. Chennappa. The lapse was left unreported through the inadvertence of the Taluk authorities.		

1. The pension reported on in the foregoing statement is entered under No. 22 in Mr. Ross's Register X., dated 21st February 1814, as having been granted to Yendapully Vencatnursoo, Poligar of Yendapully, on the 12th July 1801, in lieu of certain offices and privileges which he enjoyed at the time when the country was ceded to the British by the Nizam; and as "hereditary" and "payable during good behaviour to lineal descendants only."

2. From the subsequent correspondence noted in the margin, it would appear that, the original grantee died on the 1st January 1838, and that on the recommendation of the Acting Collector of Cuddapah and the Board of Revenue, the Government sanctioned the continuance of the pension to his son Chennuppah, who is probably the individual whose death is now reported; but as this fact (if it be such) of relationship between the last incumbent and the original grantee is now here stated in the foregoing Tabular Report, the Board direct that, the report be returned to the Collector, with the request that the information afforded in column 5 may be added to, so as to satisfy the requirements of the heading of that column; and that the subsequent correspondence referred to at the commencement of this paragraph may be quoted in column 8, together with any other correspondence which may have passed regarding the pension.

From Cuddappah, 27th July 1838.
Do. Board to Government, 13th September 1838.
Do. to Government, 23rd November 1838.

3. The Collector will also be good enough to state whether, in the case of the Poligar pensions in Mr. Ross's Register X., it has been usual to continue the whole pension to the widow of a deceased incumbent.

4. In forwarding a revised report, the Collector will state what notice has been taken of the conduct of the Taluk official who was chiefly to blame for the delay in reporting the case to the Collector.
