Proceedings of the Madras Government, Revenue Department, 12th July 1865.

No. 199. Read the following letter from P. GRANT, Esq., Collector of Coimbatore, to W. HUDLESTON, Esq., Acting Secretary to Government, Revenue Department, Fort Saint George, dated Coimbatore, 7th July 1865, No. 80 :—

SIR,

In a letter dated 22nd October 1862, Mr. Ouchterlony wrote to Government claiming on behalf of the Nelumboor Teroovapad the land now forming the Neddivuttum Coffee plantation. The Nelumboor Teroovapad claimed this land as lying within the country to the west-ward of the Pykara river, which he asserted was the eastern boundary of his Numbalacode property. On the joint report of the Collector of Malabar and myself, Government have in their Order dated 30th March 1865, No. 701, repudiated the Teroovapad's claim to the tract of country extending from the Pykara river to the western ridge of the plateau of the Neilgherry mountains. Mr. Ouchterlony has not been supplied with a copy of the Order, and I now request that I may be permitted to transmit one to him, in view to putting him in possession of the determination of Government with regard to the major claim made by the Teroovapad, which involves the minor claim to the Government Chinchona Plantation. Several parties have applied for lands at Neddivuttum close to Mr. Ouchterlony's house; so close to it in fact that, I believe, it will turn out that Mr. Ouchterlony has long looked on the land as forming part of his house property as it may be called. In view to the settlement of the applications for land, it is expedient that the limits of Mr. Ouchterlony's property should be defined, but in order to this end, it is necessary that he should be made aware of the decision of Government regarding the claims of the Teroovapad, from whom he acquired his property.

Miscellaneous.

ORDER THEREON, 12th July 1865, No. 1,600.

The Government authorize the Collector to furnish Mr. Ouchterlony with copy of the G. O. in question.

forming part of his house property as it may be called. In their Settlement of the applications for land it is expedient that the limits of Mr Duckerton's property should be defined, but in order to this end, it is necessary that he should be made aware of the decision of Government regarding the claims of the Seneca Indians whom he acquired this property.
