Proceedings of the Madras Government, Revenue Department,
14th July 1865.

No. 243. Read the following Proceedings of the Board of Revenue, dated 4th July 1865, No. 3,729.

Read the following letter from G. A. BALLARD, Esq., Collector of Malabar, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Calicut, 26th June 1865, No. 116:—

SIR,

1. An estimate* for the repair or rather renovation of the superstructure of the Kalai Bridge on the coast road between Calicut and Beypore was sanctioned by Government, and proposed to be included in the Imperial Budget for the current year.

* For Rupees 5,340.
G. O. dated 1st November 1864, No. 3,139.

2. Colonel Walker tells me he has placed the work second in a list of Malabar works lately submitted to Government for provision of funds from reserve or supplemental Imperial sources, but has not received orders on the subject.

3. The bridge is becoming unsafe, and I need not say is of vital importance to Malabar, situated as it is some five miles north of the Railway terminus on the road to Calicut, and all the central and northern portions of the District.

4. Under these circumstances, I request sanction to advance such money as may be required from the District Road Funds for the immediate commencement of the work. The expenditure can be repaid from Imperial Funds when available.

5. I request immediate orders.

The Board object to advancing money from Local Funds for the purpose of carrying out Imperial works. Mr. Ballard's letter will be forwarded to Government, with the Board's recommendation that as the work is emergent, funds be provided for it from the Reserve.

No. 244. ORDER THEREON, 14th July 1865, No. 1,622.

Miscellaneous.

Ordered to be recorded.
