Proceedings of the Madras Government, Public Works Department, 11th July 1865.

No. 255. Read the following letter from Captain J. F. FISCHER, R. E., Controller of Public Works Accounts, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Madras, 6th July 1865, No. 646:—

SIR,

1. With reference to G. O. 3rd instant, No. 1,853, I have the honor to state that the sum of Rs. 1,00,000, reported in the Superintending Engineer's letter not to have been paid up to 30th April 1864, was written back in the books of this Office by an entry in the supplementary Account Current for the year 1863-64, forwarded to the Deputy Auditor and Accountant General. The bill for this amount will be cancelled in consequence.

Letter from Superintending Engineer, 1st Division, No. 670, dated 17th September 1864, in G. O. No. 2,837, dated 30th September 1864.

2. The expenditure in the year 1864-65, viz., Rupees 1,11,536-11-8, has not been reported to this Office nor included in any account rendered by the Superintending Engineer, or by the Collector through him.

3. In a supplemental estimate of funds, dated 9th March 1865, sent by the Superintending Engineer, 1st Division, provision was made for drawing out a portion of the sum of Rupees 2,20,000, the full amount having been added in that estimate to his grants for the month, and it is not explained why no earlier remittance of the amount was made by the Superintending Engineer than by cheque, dated the 30*th April* 1865. The Deputy Collector of the Treasury has given a receipt for this amount, dated 19*th* May 1865, and the Superintending Engineer has debited [illegible] April 1865 [illegible] to the Civil Department. The Collector should now be required to send to this Office as early as possible an account of his expenditure up to 30th April 1865, including the sum of Rupees 1,11,538-1-8 stated to have been disbursed up to August 1864, and the expenditure can be adjusted in the books of this Office for 1864-65, against the grant of Rupees 2,20,000. Any sum which remained unspent on the 30th April 1865, and will be required to be disbursed in the current year should be met from a distinct appropriation of funds in this year, the unexpended balance of last year not being now available.

No. 256. ACCOUNT, No. 40.

ORDER THEREON, 11th July 1865, No. 1,953.

Ordered to lie over, pending the receipt of a reply to the Proceedings of Government, No. 1,853, dated 3rd instant.
