No. 269. Read the following Proceedings of the Board of Revenue, dated 23rd June 1865, No. 3,478.

Read the following letter from J. D. ROBINSON, Esq., Collector of North Arcot, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue dated Palmanair, 8th May 1865, No. 68 :—

SIR,

1. I have the honor, with reference to the Proceedings of the Board, dated 15th October last, No. 6,819, to submit the final report required by Government regarding the Gosha female Yeomiahdars of this District.

2. In pursuance of the instructions laid down in paragraph 5 of the Proceedings of Government, dated 27th September last, the prescribed Notices were printed and distributed among the Tahsildars, with directions to have them served on the Gosha females concerned, or in the event of these not being forthcoming, to leave them with the male relatives of the pensioners. The Tahsildars were at the same time urged to make every effort to ascertain whether the females, who had failed to appear for muster, were alive, or what had become of them. A list of these females was besides furnished to each Tahsildar for the purpose of being posted in a conspicuous part of their respective Cutcherries, and a General Notice was published in the Gazette of the 5th November last, at page 800.

3. It has now been ascertained on a careful scrutiny of the lists and other papers belonging to the Department that the number of Gosha pensions, viz., 166, given in Mr. Fraser's letter of the 19th March 1862, No. 58, is incorrect. I have not been able to trace out how this discrepancy has arisen, but the office list has been carefully examined and shews only 162 names. Of this number twenty-seven have already been reported dead in Mr. Hathaway's letter of the 28th July last, No. 164, and forty-nine more have, it has now been ascertained, since died, thus making the total number of casualties up to date seventy-six. Of those more recently deceased, one pensioner named Shajady Begum, No. 21, was shortly before her death mustered by the Chepauk Agent, and a Tabular Statement recommending refund of arrears due to her (the pension being a life grant) was submitted to the Board. Of the remaining eighty-six females, fifty-nine are now in the enjoyment of their allowances, and fourteen are nowhere to be found. There thus remains thirteen to be yet accounted for. Of these, three held Service Yeomiahs, which in consequence of their failure to appear for muster have, under the Orders* of Government, beentransferred to other parties

* Dated 6th April 1852, and 8th June 1859.

Of the two Yeomiahdars said to have been discovered, as noticed in paragraph 3 of the Order under reference, Masahiba Bibi, No. 129, Board No. 629, has forfeited the allowance of Rupees 70-12-9 per annum under the Orders* of Government for giving false evidence in connection with the gross frauds in the Yeomiah Depart-

* Dated 13th August 1860, No. 1,481, paragraph 3.

the difficulties with which

ment which came to light in the end of 1859. The other named Ameenshaiba, No. 13, a Dehat Inámdar in receipt of an allowance of Rupees 9 per annum, has neither attended for muster, nor is their any thing more known of her in her former haunts than that she is supposed to have gone to Madras.

4. The number yet remaining to be dealt with is thus reduced to eight. In the case of one of these, Fathma Begum by name, No. 62, I have recommended that her pension be renewed in my letter of the 13th March last, No. 39. Two others have been already examined and rejected, on the ground that their identity is not established, and five more are reported to be forthcoming, and steps have been taken to ascertain their identity. The result of these inquiries will be reported in due course.

5. Together with copy of the notice issued, I beg to enclose list shewing all particulars relating to the Yeomiahdars formerly reported dead, and to subsequent casualties up to date. A separate list is also forwarded shewing the same details for the Yeomiahdars who are not forthcoming. Both lists you will find shew the dates up to which each of these deceased and missing pensioners had received her allowance.

Palmanair,
8th May 1865.

(Signed) J. D. ROBINSON,
Collector.

1. Resolved that the foregoing Report on the Gosha female pensioners in the North Arcot District be submitted to Government, with reference to their Order, No. 1,782, dated 27th September 1864.

2. The Government will observe, that instead of 166 Gosha female pensioners, as formerly stated, there were only 162 of this class, of whom the Collector gives the following account, viz. :—

(a) 162 total number.
(b) 76 had died up to date of his present Report.

86 remainder.
(c) 59 are now in the enjoyment of their pensions.

27 remainder.
(d) 14 are nowhere to be found.

13 remainder, of whom
(e) 3 had their pensions transferred to other parties under Government sanction.
(f) 1 forfeited her allowance.
(g) 1 is supposed to be at Madras.
(h) 1 has been recommended to the Board for a continuance of her pension.
(i) 2 have been examined and rejected because their identity was not proved.
(k) 5 Mr. Robinson states, are forthcoming, and that steps have been taken to ascertain their identity.

13

3. It thus appears that, out of the original number, (162) of pensioners, only fourteen have had nothing certain reported of them, and that five are reported to be forthcoming whose cases will have to be inquired into.

4. The fourteen (d) women of whom nothing is known are most probably dead, the pensions of twelve of them having ceased to be drawn sixteen years ago (from Fusly 1259, 1849-50), and of the remaining two, seven years ago (from Fusly 1268, 1858-59). The Board recommend that the names of the whole fourteen be struck off the list.

5. With respect to the case marked (h) above, the Board have called for the Descriptive Rolls of Fathma Begum in their Proceedings No. 1,754. dated 30th March 1865, and cannot pass any further Orders on it until the Collector's reply is received.

6. The Collector will be requested to report at once, whether the eleven Poligar female pensioners, referred to in paragraph 8 of the Government Order, quoted in paragraph 1 of these Proceedings, require any further identification. This was a point on which he was required to report, but has failed to do so.

No. 270. ORDER THEREON, 15th July 1865, No. 1,635.

Miscellaneous.

1. In these Proceedings the Board communicate the final result of the inspection of Gosha pensioners in the District of North Arcot, by trustworthy females, which was directed in G. O. 31st August 1860, No. 1,481, and repeated in G. O. 18th August 1862, No. 1,750, and 27th September 1864, No. 1,782.

2. The inspection has taken up nearly five years, but seems to have been made tolerably complete in spite of the great difficulties with which the officers of the District have had to contend.

3. The result of the inspection is as follows :—

Number of Gosha pensioners on the List at the end of August 1860	162
Identified	59
Deceased	76
Nowhere to be found	14
Pensions transferred or forfeited	4
Still uninspected	6
Rejected	2
Awaiting orders of the Board	1
	162

4. Government agree with the Board that the 14 pensioners who are nowhere to be found are probably dead, but whether they are or not their names must be struck off the list in accordance with the orders quoted above.

5. The result of the inspection in the six remaining cases (marked (g) and (k) in the Board's Proceedings), as well as the information called for in paragraph 6 should be reported to Government in due course.

NOTICE.

The Government having in their order of the 27th September 1864 No. 1782, directed that all Gosha Yeomiadars, who have not yet done so, should be invited once more to appear for examination to be made by one of their own sex, and that after the expiration of appointed dates below mentioned, the pensions of all Gosha Pensioners who fail to present themselves for examination shall be forfeited, the Acting Collector of North Arcot hereby gives notice to all Gosha Yeomiadars who have not attended for muster on the last occasion, that to meet their convenience, and to facilitate their attendance, it is proposed to hold an examination to be conducted with perfect secrecy by an East Indian female, at four points of the District, viz. Chittoor, Ranipett, Vellore, and Gudiattum. The examination will commence on the 1st December next at all these stations and will continue for 8 days at each station.
