CIVIL WORKS, No. 40.

1. Communicated to the Superintending Engineer of the 3rd Division, for information and guidance.

2. There are at present no funds available for appropriation to *Civil Works*; but as the Collector of Kurnool states that the new Record rooms and Lock-ups provided for in the estimates sanctioned in the Orders above recorded are urgently required, and that the accommodation which the Cutcherries afford is utterly inadequate for present requirements, the Government grant authority for the proposed improvements being at once carried out. A special grant, to cover the outlay that may be incurred under these orders, will be made later in the year.

Kurnool Range.

3. No trace can be found of an Order sanctioning an estimate for a Post Office at Kurnool. An estimate* for a Post Office at Nundial was approved in the Proceedings of Government No. 3,691, dated 23rd December 1864, but no authority has been granted for the commencement of the work, nor have funds been provided for its execution. The Superintending Engineer of the 3rd Division will accordingly report to what building reference is made by the Collector of Kurnool, when and by whom the estimate was sanctioned, and from what funds the work is proposed to be constructed.
