No. 346. Read the following letter from Captain A. S. MOBERLY, R. E., Superintending Engineer, 3rd Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Bellary, 3rd July 1865, No. 57:—

SIR,

In Order No. 2,137 of 26th July 1864, Government communicated to this Department that the Nundial tank, Kurnool District, was made over to the Irrigation and Canal Company on certain conditions. I now have the honor to submit an extract of a letter from the Collector of Kurnool, and request instructions as to whether the repairs to the tank are to be carried out by this Department or by the Irrigation Company.

From J. I. MINCHIN, Esq., Collector of Kurnool, to Captain A. S. MOBERLY, R. E., Superintending Engineer, 3rd Division, dated Kurnool, 30th June 1865, No. 39.

SIR,

2. As there is not the slightest prospect of water being carried through the canal as far as the Nundial tank in the current season, I do not think we can fairly look to the Officers of the Company to carry out the repairs, which I request you will be good enough to direct the Assistant Supervisor in charge of the Range to undertake.

(True Extract.)
