No. 386. Read the following letter from Lieutenant-Colonel G. W. WALKER, R.E., Superintending Engineer, 7th Division, to Colonel C.A. ORR, R. E., Secretary to Government, Department Public Works, dated Coonoor, 6th July 1865, No. 57 :—

SIR,

1. To enable me to make the necessary appropriations, under the proper heading, for repairs to public buildings in the 7th Division, now (under G. O. No. 1,358 of 18th May 1865) authorized to be debited to Imperial Funds, I have the honor to request that the following transfers of Repair Funds of 1865-66 may be sanctioned from the heads below noted to that of Communications, viz. :—

COIMBATORE DISTRICT.

	RS.	RS.
Civil Buildings	1,300	
Miscellaneous Public Improvements, viz. :—		
Markets 100	200	
Special 100		
	——	1,500

MALABAR.

Military	1,300	
Civil Buildings (special)	500	
Miscellaneous Public Improvements ...	200	
	——	2,000

CANARA.

Military	200	
Civil Buildings	800	
	——	1,000

2. I take this opportunity of stating, with reference to paragraph 5 of Government Order No. 1,243 of 8th May, that the only works for which the small allotment of Rupees 100 under the head of "Markets," in Coimbatore District, could be appropriated, are the buildings at Ootacamund, Coonoor, Wellington, and Kotagherry; and now that Local Funds are raised by tolls chiefly levied on those who use these market sheds, there seems no objection to their repairs being charged on Local Funds.

No. 387. ORDER THEREON, 15th July 1865, No. 2,018.

ACCOUNT, No. 57.1

1. In the foregoing letter the Superintending Engineer of the 7th Division requests sanction to the appropriation of a sum of Rupees 4,500 to the repair of Travellers' Bungalows in the Malabar, Coimbatore, and South Canara Districts.

No. 1,722, dated 21st June 1865.
No. 1,896, ,, 6th July ,,

See G. O. No. 1,868, dated 4th July 1865.

2. From the Orders marginally noted, it will be observed that the outlay on Bungalows has been limited by the Government of India to Rupees 11,230. Of this amount Rupees 375 have been already authorized to be expended in the 2nd and Rupees 7,074 in the 7th Divisions, leaving a balance of only Rupees 3,781 for *absolutely necessary repairs* to Bungalows in the several Districts of this Presidency.

3. Under these circumstances, the Government are unable to sanction the appropriations recommended by Colonel Walker, which, it is observed, exceed the amount remaining to be expended *throughout the Presidency* by Rupees 719. Colonel Walker will accordingly be requested to re-consider his proposals, and, limiting the outlay in the 7th Division to one-eighth of the balance available, to submit a

statement showing the appropriations which he would recommend to be made to each of the Districts under his charge, and the source from which the funds can be provided.

4. Paragraph 2 of the Superintending Engineer's letter should have formed the subject of a separate communication. The sum* allotted in Part III.† of the Budget for repairs to Markets in the Coimbatore District is available for transfer to other heads.

* Rupees 100.
