Proceedings of the Madras Government, Public Works Department,
14th July 1865.

No. 364. Read the following letter from Captain J. G. RYVES, R. E., Superintending Engineer, 1st Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Waltair, 29th June 1865, No. 426 :—

SIR,

1. The Executive Engineer, Ganjam, having reported that the best season of the year for masonry work is being lost, and work on a valuable new cross road (between Jugganadpoor and Poorooshothapoor,) is stopped in consequence of the delay in communicating sanction of the Local Funds Budget, I have directed him, with the Collector's concurrence, to go on with work as if the allotment proposed by the Collector had been granted by Government. I had also previously directed Range Officers in the Godavery to adopt the same course with all sanctioned works in progress at the end of last official year.

2. I trust that Government will, under the circumstances, approve of what I have done.

No. 365. ORDER THEREON, 14th July 1865, No. 2,007.

CIVIL WORKS, No. 50.

1. The sum provided in the current year's Local Fund Budget for the road from Jugganadpoor to Poorooshothapoor is Rupees 1,500.

2. The Superintending Engineer's proceedings reported in paragraph 1 are approved.

3. As under existing rules all works to be executed from Local Funds by Public Works Officers must be incorporated in the Imperial Budget, which is expected by the Government of India at the end of January, the Government hope that future Local Fund Budgets will be laid before them early in December.
