No. 407. Read the following Proceedings of the Board of Revenue, dated 19th July 1865.

Read the following letter from Æ. R. McDONELL, Esq., Collector of Trichinopoly, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Trichinopoly, 15th July 1865, No. 138 :—

SIR,

1. I lose no time in submitting the report called for in the Board's manuscript Order dated the 11th instant, passed on Government Proceedings of the 10th idem, No. 1,576, and at the same time I beg to enclose a rough list of Vurdachary's services.

2. The Board will perceive that Vurdachary has served in Government employ for a period of 28 years and 12 days; if therefore he submits a Medical Certificate of incapacity for further service, he is, as I read the rules, fairly entitled to retire on a superannuation pension allowance.

3. Vurdachary, though in appearance robust and healthy, is far from strong, and has at times, while serving under me, been laid up with severe attacks of Rheumatism; he has before suffered from Chronic Diabetes. Under favorable circumstances, and in a climate congenial to his constitution, it is quite possible he might serve for years, and though naturally desirous of remaining in employ till entitled to a good service pension, he assures me he is perfectly willing to retire in preference to taking up his post as Sherishtadar in the Godavery District, he not being familiar with the language, if the Government will be pleased to grant him a moiety of the average salary drawn by him during the last five years, as sanctioned by the Rules.

4. I do not doubt that Vurdachary can produce the necessary Medical Certificate if required.

5. In conclusion, I would here beg to say that, during the 13 months Vurdachary has acted as Sherishtadar in this District, I have had every reason to be satisfied with him; he is very industrious, and having great experience as a Revenue Officer, I have found him most useful.

Submitted to Government with reference to the Proceedings quoted by the Collector.

No. 408. ORDER THEREON, 22nd July 1865, No. 1,703.

Miscellaneous.

1. Under the circumstances stated by the Collector it seems desirable that Vurdachary should obtain a Medical Certificate, and send in his application for the pension to which his service entitles him under the Rules. The Collector will instruct him accordingly.

2. The Government are not in the habit of accepting conditions from their servants, as Mr. McDonell appears to suppose.
