Proceedings of the Madras Government, Revenue Department, 22nd July 1865.

No. 413. Read the following Proceedings of the Board of Revenue, dated 18th July 1865.

Read Proceedings of the Madras Government, Public Works Department, dated 6th July 1865, No. 1,895 :—

The Board observe that, in accordance with the orders of Government,* no delay should take place in disbursing the compensation due on account of lands taken up either for the Railway or for the Canal and Irrigation Company's operations, and the Collectors concerned now make the required payments in anticipation of sanction (unless in doubtful cases), and then submit the Registers of such appropriated lands and the compensation granted, for the sanction of Government through the Board of Revenue. The system *now* proposed is likely to cause much delay and inconvenience to the owners of the lands which may be taken; but beyond this the Board see no objection to the proposed change if it be really necessary.
