Proceedings of the Madras Government, Revenue Department, 24th July 1865.

No. 435. Read the following letter from R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, to W. HUDLESTON, Esq., Acting Secretary to Government, Revenue Department, dated Madras, 18th July 1865, No. 4,137 :—

SIR,

1. With reference to the Government Order, No. 2,357, dated 10th December 1860, and the Board's Circular, No. 5,914, dated 17th idem, relative to the rates of hire to be fixed for bearers and bullocks up-country, &c., &c., in order to ensure a fair remuneration, and to facilitate travelling, I am directed by the Board of Revenue to observe that no such arrangements as were then contemplated appear to be necessary.

2. The system of impressment, which, at the time the Orders referred to were issued, was believed to be practised is now almost unknown except in cases of emergency, and no complaints, as far as the Board are aware, are now made by travellers of the want of either bearers or bullocks in any of the Districts. Further, the rates formerly proposed by the Collectors are no longer applicable; and the means of comparatively rapid and easy travelling, now pretty generally offered by Transit and Carrying Companies, would appear to render any systematic interference of Government unnecessary, and discouraging to all private enterprise in the carrying trade.

3. Under the above circumstances, I am to request permission to omit the above-quoted Government Order from the Board's List of Arrears forwarded half-yearly to Government.

No. 436. ORDER THEREON, 24th July 1865, No. 1,717.

Miscellaneous. The Order may be struck off the Arrears List.

(Signed) W. HUDLESTON,
Acting Secretary to Government.
