SIR,

1. In reply to your letter No. 1,266, dated 10th June 1865, I am directed to inform you that the Governor General in Council is pleased to sanction the adjustment of the expenditure for establishments for Travellers' Bungalows in the Madras Presidency, up to 1863-64 inclusive, as charges against the General Revenues which have been credited with the receipts of the Bungalows up to that year.

2. I am also to state that the proceedings of the Government of Madras, by which the future annual expenditure for establishments will be reduced by Rupees 3,346-10-5, while the receipts will be augmented by an increase in the scale of fees, are approved on the understanding that should the combined result of these measures not do away entirely with the annual grant from General Revenues to Local Funds for the Travellers' Bungalows, the scale of fees will be again revised.
