No. 502. Read the following letter from G. A. BALLARD, Esq., Collector of Malabar, to W. HUDLESTON, Esq., Acting Secretary to Government, Revenue Department, Fort Saint George, dated Calicut, 18th July 1865, No. 93 :—

SIR,

1. In continuation of my letter, dated 1st instant, No. 85, I have the honor to state that the Acting Sub-Collector reports that he personally examined the tenants of the gardens adjoining the Powder Magazine at Cannanore required by the Military authorities, and that with three exceptions they all* agreed to vacate on payment of the sums already calculated to be their due.

* With one exception. This tenant (No. 1) claims Rupees 25 more than the valuation allotted him.—See after paragraph 4.

2. The three objectors, Mr. Garstin writes, claim to be the proprietors of the gardens† in which they live, and decline all overtures that are not based on the acknowledgment of that right.

† Numbered 2, 4, and 12 in the list forwarded with my letter No. 21, dated 5th March 1864.

3. As Ali Raja claims to be the proprietor of these three gardens as well as of the others, and has transferred his title to the Government, as reported in my letter of the 1st instant, the only thing that remains to be done with regard to these three gardens is to put the Act‡ in force, and lodge the estimated value of the proprietary right in the Civil Court, until the question of proprietary right is settled.

‡ No. VI. of 1857.

4. The proprietor's portion of the estimated value is as noted,§ and as Onden Onaken wants about 25 Rupees more for his tenant's share in garden No. 1 than the estimated‖ value, the total contingent liabilities in the acquisition of the four gardens amount to Rupees 1,968-12-1, which can be met from the sum¶ already sanctioned. Mr. Garstin recommends that the additional Rupees 25 be given, and therefore I presume he has satisfied himself that the claim is a fair one. The amount is so trifling that I have not referred the question for more explicit report.

5. Under these circumstances, I beg to enclose three plans with specifications of the boundaries of the gardens adverted to, and request that the usual proclamation may be issued for taking them under Act VI. of 1857.

P. S.—Since writing this letter, I received G. O. No. 1,634, dated 15th instant.

Ali Raja's claim to be the proprietor of gardens No. 2, 4, and 6 only is now disputed. To take these under the Act a Draft Notification is submitted as desired.
