31*st July* 1865.

No. 537. Read the following Proceedings of the Board of Revenue, dated 22nd July 1865, No. 4,269.

Read the following letter from J. FRASER, Esq., Collector of the Godavery District, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Cocanada, 29th June 1865, No. 125 :—

SIR,

1. With reference to the Board's Official Memorandum, No. 481, of 23rd ultimo, calling for a report to their Miscellaneous Circular, No. XCVIII., dated 17th November 1863, I have the honor to state that the different kinds of foreign Cotton Seed received from the Board from time to time were distributed among the Ryots in some Talooks, who were willing to give it a trial. It has been subsequently reported that the cultivation has entirely failed in almost all the Talooks, as the seeds have not germinated in some localities, while in others the young plants withered. In the Sub-Division Talooks the experimental cultivation of the seed was not carried on, because the seed was mislaid in the Sub-Collector's Office as reported by him.

2. In one Talook only, that of Peddapur, the cultivation of the Egyptian seed having been carried on with care and attention, five viss of Cotton was produced. I beg to forward a sample of the same for the Board's inspection.

ENCLOSURE No. 1.—Samples of Cotton.

Submitted for the information of Government.

No. 538. ORDER THEREON, 31st July 1865, No. 1,768.
