Proceedings of the Madras Government, Revenue Department,
3rd August 1865.

No. 63. Read the following Proceedings of the Board of Revenue, dated 27th July 1865, No. 4,401.

Read the following letter from R. E. MASTER, Esq., Officiating Director of Revenue Settlement, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Madras, 17th July 1865, No. 806-33 :—

SIR,

Referring to the Order of Government, dated 12th May last, No. 1,006, raising the water rate in the Godavery and Kistna Deltas from Rupees 3 to Rupees 4 per acre, I have the honor to request instructions as to the reduction to be made in the rate, first, on account of the additional expenses incurred in the case of picotta irrigation ; and second, in cases where the irrigation and drainage works are imperfect. The reduction in the old rate hitherto allowed has been, in the first of the above cases, 12 Annas, or one-fourth, and in the second 1 Rupee or one-third. The same proportion may, I think, be conveniently maintained, and the reduction will be 1 Rupee and Rupee 1-5-4 per acre in the two cases respectively.

The Board consider that the proportions of the rate to be remitted should continue the same as those previously approved. The water rate rules now under consideration should provide for such cases.

No. 64. ORDER THEREON, 3rd August 1865, No. 1,806.
