Read Proceedings of the Madras Government, Revenue Department, dated 8th July 1865, No. 1,565 :—

The Board observe that their third Member had ocular demonstration that the roads to which he referred were in a very inferior condition to that in which he remembered them ten years ago. The reasons for this inferiority are given in paragraph 6 of Mr. Clarke's Salt Report on the Madura District. The Board would suggest that Captain Moberly's attention be drawn to the concluding sentence of paragraph 7 of that Report.
