No. 114. Read the following Proceedings of the Board of Revenue, dated 14th July 1865, No. 4,031.

Read the following letter from P. GRANT, Esq., Collector of Coimbatore, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Ootacamund, 7th June 1865, No. 106 :—

SIR,

1. I have the honor to forward a statement in the prescribed form, shewing the extent and assessment of land proposed to be given to certain village officials, &c., in lieu of their Inám lands taken up for the Great Southern of India Railway in the Sub-division of this District.

2. The aggregate extent of land appropriated, is Acres 74, Rood 1, Poles 16, Yards 14, and Feet 2¼, bearing an assessment of Rupees 287-2-10, that proposed to be given in lieu of it measures 48 Acres, 2 Roods, 13 Poles, and 4 Yards, assessed at 287-2-10.

3. The circumstances connected with each case are fully explained in column 7 of the Statement.

4. As there appears to be no objection to this measure, I request the Board of Revenue will be good enough to obtain the early sanction of Government to this arrangement, to enable me to transfer the lands from Fusly 1275.

5. In cases where the public revenue only belongs to the Inámdars, the lands were taken up before the Ryots could cultivate them in Fusly 1274, and consequently the Inámdars have lost their emoluments for that Fusly.

6. The Acting Sub-Collector has promised to furnish me with a Statement, shewing the amount of assessment thus lost to the Inámdars during the current Fusly, in order that it may be paid to them by Government, as it was too late to exempt from the assessment of the present Fusly any of the lands proposed to be assigned in exchange, and so soon as it is received, it will be submitted for sanction.

ENCLOSURE No. 1.—Statement.

1. Submitted to Government, with the Board's recommendation that the proposed transfers of new land as detailed in the above Statement, for the Ináms appropriated for the Great Southern of India Railway, be sanctioned.

2. If the lands in the above Statement taken up for the Railway have not already been entered in any of the Quarterly Registers submitted to Government, the Collector will be good enough to include them in the Registers called for in the Board's Proceedings, No. 4,030, dated 14th July 1865, on the Collector's letter Board No. 3,435, dated 27th June 1865.

No. 115. ORDER THEREON, 8th August 1865, No. 1,832.
