No. 138. Read the following letter from Lieutenant-Colonel F. J. MOBERLY, R. E., Superintending Engineer, 8th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Courtallam, 21st July 1865, No. 626 :—

SIR,

Two Maps.

Referring to G. O. No. 130 of 14th January 1865, I have the honor to forward herewith two maps, one shewing the Imperial, and the other Local lines of communication in the Madura District. The Collector reported having done this himself direct, and therefore I did not forward a duplicate.

Transferred to the Revenue Department.

9. The Board must confess that the proof of the actual loss is not very conclusive; but in a case of the kind under disposal it may be difficult to obtain better proof, and considering that such a quantity as 7,200 Indian Maunds (value Rupees 10,260), as mentioned in the margin of paragraph 2 above, was purchased at the time by the Petitioner from the same store, the Board beg to submit the application for the favorable consideration of Government.

10. The Deputy Collector remarks, that as other wholesale dealers in Salt have suffered similarly to the present Petitioner it is probable that they may put in similar claims to his, should he be successful; but the Board agree with the Collector that at so late a date their claims would not be entitled to much consideration.

11. The Petition received with the Collector's first letter was returned to him with the Board's Proceedings above recorded, and has not been again received in their office. The Board do not, however, consider it necessary to call for and submit it with these Proceedings, as the Collector and Deputy Collector's letters fully detail the claim.

No. 283. ORDER THEREON, 17th July 1865, No. 1,641.

The Government desire to know when the Salt was purchased that is said to have been destroyed.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 17th March 1865.

Read the following letter from G. THORNHILL, Esq., Collector of the Kistna District, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Goodewadah, 15th February 1865, No. 19 :—

1. I have the honor to bring to the notice of the Board the following circumstance.

2. Kroottevcuty Kamaswer Row purchased six* heaps of salt at Buntoomilly for exportation to Secundrabad, &c.

* Pullas 2,400, Indian Maunds 7,200. Value in Rs. 10,260.

3. He states that, of the above, he stored 200 Pullas in godowns at Chintagoontapolliem, and that he exported on boats 450 Pullas, and 256 Pullas on bandies to Secundrabad. Total 906 Pullas of the value of Rupees 3,874½.

4. He states that he lost the whole of this in the cyclone on the 1st November, as the boats containing 450† Pullas were wrecked on the Kistna at Ibrampatam, and the bandies containing 256‡ Pullas were carried away by the bursting of a tank at Atapamula in the Nizam's dominion, and as 200§ Pullas stored in godowns at Chintagoontapolliem were destroyed by the sea inundation.

‡ Value...	1,094	6	5
§ Value...	855	0	0

5. The Bandar Tahsildar has reported that the godown in which the salt was stored at Chintagoontapollem was altogether destroyed by the storm, and the salt therein washed away.

6. The Tahsildar of Bezoarah Taluk has reported that the villagers of Ibrampatam said that five Dhonies were wrecked on Kistna River on 1st November, and that they heard that ... of them loaded with 25‖ candies of salt belonged to Kamaswer Row.

‖ Pullas 200, Indian Maunds 600, Value in Rupees 855.

7. With regard to the alleged loss at Atapamoolah, I have no means of ascertaining the truth of the statement.

8. Should the Board consider that any compensation may be given in a case of this kind, I would recommend that salt to the amount of Indian Maunds 600¶ stored at Chintagoontapollem, and Indian Maunds 600 reported by the Tahsildar as lost at Ibrampatam, total 1,200* Indian Maunds, be issued to K. Kamaswer Row stores at Nizampatam or Chinna Ganjam. The original petition of K. Kamaswer Row is enclosed.

¶ Pullas 200.

* Pullas 400.
