Proceedings of the Madras Government, Revenue Department,
11th August 1865.

No. 194. Read the following Proceedings of the Board of Revenue, dated 31st July 1865, No. 4,492.

Read the following letter from A. HATHAWAY, Esq., Collector of Bellary, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated 7th July 1865, No. 116:—

SIR,

1. I have the honor, with reference to paragraphs 19 and 20 of the Board's Miscellaneous Circular, No. LXIX., Board No. 3,431, dated 22nd ultimo, to state that the salary, namely, Rupees 2 per mensem, prescribed by Government for Sweepers, in their Order, No. 992 of the 11th May last, Revenue Department, embodied in the said Circular, is too small to induce any person, with the existing high prices of food, to undertake the duties of Sweeper and Scavenger; the scale sanctioned having been proposed at a season when their services were easily procurable for that pittance.

2. I had the honor of addressing the Board on the subject of increasing the salary of the Sweepers in question, in my letter No. 53, dated 21st April 1864, recorded in their Proceedings, No. 2,855, under date the 12th May following; in which it was promised that the question of the salaries to be paid to servants employed in Public Bungalows, will be disposed of in their General Report to Government on Public Bungalows; and I regret to find that my request has not been granted.

3. I have the honor, under the above circumstances, to request that the Board will be pleased to re-consider the question, and obtain sanction for raising the salary of the Sweeper and Scavenger from Rupees 2 to 3½ per mensem, the minimum salary at which the services of such persons are at present procurable.

4. Complaints are numerous of the filthy state of the necessaries, in consequence of Sweepers refusing to serve for the wages now allowed.

---

1. Submitted to Government.
2. Under the circumstances reported by the Collector, the Board recommend that the pay of the Sweepers be raised from Rupees 2 to 3½.

No. 195. ORDER THEREON, 11th August 1865, No. 1,872.

The Board are requested to submit a Statement in the prescribed form, shewing the total additional cost involved by the recommendation made in these Proceedings.
