12th August 1865.

No. 206. Read the following Proceedings of the Board of Revenue, dated 2nd August 1865, No. 4,552.

Read the following letter from E. G. R. FANE, Esq., Collector of Madras, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Sydapet, 17th July 1865, No. 203 :—

SIR,

1. With reference to the Board's Proceedings, dated 7th March last, No. 1,313, I beg to inform you that I wrote some months ago to the Rajah of Vizianagaram about the pumps purchased by him at the Calcutta Exhibition, and received in reply full information about two of the pumps, but not about the one called a V pump.

2. Of the two pumps he did give information about, one is of the kind we are now putting up at the Government Farm at Sydapet, and the other is of a kind that the Rajah was unable to recommend.

3. The V pump is, I hear, a late patent in England, and might be asked about in one of your next letters to the agricultural implement makers there. I propose also, as President of the Farm Committee, writing in their name to Calcutta, and get one of the V pumps from there. If successful, the results of the working of the pumps shall be duly communicated to you.

Submitted to Government, with reference to their Order under date 3rd March 1865, No. 453.

No. 207. ORDER THEREON, 12th August 1865, No. 1,878.
