Proceedings of the Madras Government, Revenue Department,
15th August 1865.

No. 248. Read the following letter from Captain R. H. BEDDOME, Officiating Conservator of Forests, to W. HUDLESTON, Esq., Acting Secretary to Government, Revenue Department, Fort Saint George, dated Camp, Mudumallay, 27th July 1865, No. 1,356:—

SIR,

1. I have the honor to inform you that Teak nurseries and a small Teak plantation have been formed in the Mudumallay Teak forests by Major Morgan.

2. The site is only 29 miles from Ootacamund, and as the indigenous forest is being considerably felled it is desirable to extend the planting operations; the Teak plant grows very well, and there can be no doubt that a plantation at Mudumallay will be remunerative; a small Establishment exclusively for planting is however indispensable, and I would now propose that a Duffadar on Rupees 15 per mensem, and two Peons on 9 Rupees each per mensem, be sanctioned from the 1st of April next, and that these men be sent to Nellumbur to be trained during April, May, and June. Their salaries for April of this official year can be easily met out of savings in the Budget estimates for Establishment, and the salaries for the coming year can be entered in the Budget.

No. 249. ORDER THEREON, 15th August 1865, No. 1,897.

Forests, No. 5.

1. The proposed Establishment for planting Teak at Mudumallay at a monthly cost of Rupees 33, is sanctioned from the 1st April next.

2. Captain Beddome's recommendation, that the men should be first sent to Nellumbur to be trained in their work, is approved.
