Referring letter from the Collector of Madras, }
regarding the terms on which the land re- }
quired for the line between Conjeveram and } (Here enter 4th January 1865, No. 6.)
Arconum is to be given to the Indian Tram- }
way Company, and the source from which the }

No. 452. ORDER THEREON, 23rd January 1865, No. 215.

1. No distinct orders have yet been passed on the subject of the terms on which land is to be given over to the Indian Tramway Company for the line between Arconum and Conjeveram. The Government, however, observe that under paragraphs 3, 4, and 5 of the Draft Conditions, forwarded with Colonel Strachey's letter No. 3,609, dated 18th September 1862, all land considered essential for the permanent line and stations is to be supplied at the cost of the State.

2. Under these circumstances the Consulting Engineer to the Irrigation and Canal Company will be requested to state whether the sum of Rupees 3,796-13-4, which the Collector of Madras reports to be due as compensation for land made over to the Company under the orders of Government, No. 1,634, dated 4th June 1864, can be met from the amount Rupees 2,22,112 allowed in the current year's Budget for the purchase of land for the Company's Canal.

3. The Collector of Madras will be requested, through the Revenue Department, to state what amount of compensation will have to be paid for the land authorized to be transferred to the Company for the stations at Arconum and Little Conjeveram.
