Proceedings of the Madras Government, Public Works Department, 15th August 1865.

Read the following papers :—

No. 369. From J. J. FRANKLIN, Esq., Superintendent of Marine, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Madras, 9th August 1865, No. 2,861.

SIR,

The Order of Government recorded in Proceedings of the 19th ultimo, No. 1,667, R. D., refers to the Steamer "Frank and Ada" being sent from Cocanada to Tuticorin. On its reaching me, I communicated with the Master Attendant at Cocanada, who informs me that the vessel is at Dowlaishweram. I have the honor to enquire whether, as appears likely by Captain Ryves' letter recorded in the before cited Proceedings, it is not the intention to transfer the Steamer "Godavery," which vessel is now laid up at Cocanada, to Tuticorin instead of the "Frank and Ada."

No. 370. From the General Superintendent of Public Works Stores.
(Here enter 11th August 1865, No. 441.)

No. 371. ORDER THEREON, 15th August 1865, No. 2,366.

ESTABLISHMENT, No. 43.

As it is understood that the "Godavery" is a sister vessel to the "Frank and Ada," the Superintendent of Marine will direct the Master Attendant at Cocanada to ascertain whether the former vessel is in as good order, and as well suited for employment at Tuticorin as the latter, and if so, to send the "Godavery" to that port as early as possible.
